

Digital Pedometer Heart Rate Watch

Step Counter

Heart Rate Monitor

Digital Watch

Smart Health's Digital Pedometer Heart Rate Watch combines sleek styling and easy-to-use functions to deliver a powerful fitness and activity management tool for improving health and wellness.

The patented **S-Pulse™ Heart Rate Technology** provides precise EKG accurate heart rate readings at the touch of the convenient stainless steel sensor button.

The **Pedometer** function, powered by a built-in Digital Accelerometer chip, can be activated during walks to provide users with measurable results for step count.

Model: SMH21079 Size: Unisex
